

## Frequently Asked Questions

---

### 1. What are the highlights of the Kentucky Rx Card program?

#### **PROGRAM HIGHLIGHTS:**

- The cards are FREE to all Kentucky residents.
- There are no enrollment forms, no restrictions, no age or income requirements, no waiting periods, no eligibility required, no exclusions, covers pre-existing conditions, no claim forms to file, no annual or lifetime limits, includes discounts on brand and generic medications, open formulary so that all medications are eligible for discounts.
- This program has a "LOWEST PRICE" feature that provides cardholders the lowest plan price on prescriptions at participating pharmacies (Medication Pricing/Discounts are calculated on the plans lowest negotiated contract price and the pharmacy's "usual and customary" price).
- This program can be used by people who have Health Savings Accounts (HSA's), High Deductible Plan's, and Medicare Part D (while in "Donut hole").
- The program can be used as a standalone benefit or to get discounts on non-formulary medications.
- All Kentucky residents are eligible to participate in this program.
- To obtain a FREE card you can access. [www.kentuckyrxcard.com](http://www.kentuckyrxcard.com) 24 hours a day and download as many cards as you need.
- If you do not access to a computer, you can walk into ANY CVS/pharmacy or Kmart to receive your discount through the Kentucky Rx Card program.
- In Louisville, the card is available at any Metro Public Health and Wellness location, Neighborhood Place or Park DuValle Community Health Center. Cards will also be available inside the June 8th edition of *Job News*, a free publication available at more than 100 locations throughout the area.

### 2. Who is eligible to participate in the Kentucky Rx Card program?

Every resident of Kentucky is eligible to receive a FREE prescription drug card through the Kentucky Rx Card program.

**3. How can Kentucky Rx Card provide free cards to the residents of Kentucky?**

This statewide prescription assistance program is made possible and funded through the support of pharmacies and pharmaceutical companies.

**4. How do Kentucky residents get a Kentucky Rx Card?**

Kentucky residents can print a card by visiting the programs website [www.kentuckyrxcard.com](http://www.kentuckyrxcard.com). There will also be distribution sites set up across the State where residents can obtain a free card. In Louisville, the card is available at any Metro Public Health and Wellness location, Neighborhood Place or Park DuValle Community Health Center. Cards will also be available inside the June 8th edition of *Job News*, a free publication available at more than 100 locations throughout the area. Anyone not able to print, or otherwise obtain a card, simply visit any CVS/pharmacy or Kmart location in Kentucky and ask the pharmacy to have their prescription processed through the Kentucky Rx Card program.

**5. Can this program be used by people who have insurance with prescription benefits?**

This program was launched to help the uninsured people of Kentucky afford their prescriptions. However, people with insurance can also use Kentucky Rx Card to get a discount on non-formulary medications (drugs that are not covered by their insurance)

**6. Can this card be used by people on Medicare part D?**

Yes, this card can be used by people enrolled in Medicare Part D to receive discounts on prescriptions while they are in the gap period “Donut Hole”.

7. **What other health savings programs are included through Kentucky Rx Card?**
